“ My deepest sympathies to you Lori, Dana and Derek at the loss of your dear father and to Lloyd, Roy and Guy at the loss of your dear brother. I rejoice, however, in Uncle Ramon's faith and his "graduation" to glory, for we grieve, but not as those who are without hope. Blessings to you all.

“ Lori, I am so so sorry to hear about the passing of your father. I always that he was a kind gentleman, and I enjoyed meeting him the several times over the years that we talked. If there is anything that Janet and I can do to help you two, please do not wait to ask. I think I know how hard this is for you, having just lost my Mom in March. Somedays it only seems like it was yesterday or this morning when it happened. We want to be there for you though. Love, Tom and Janet

“ My condolences to Dana, Lori and Derek. I am deeply saddened by Tio Ramón's transition. Tio Ray's light is not lost from you. I know his memory will live on into the future through all of us who still see his smile and quiet strength. Thank you for taking care of him and working as a loving team to see that his needs were met. Thanks to you I see again that Hogans rock! Those are the blessings. This is the family who won't let you down. Still sending prayers to you all. Stay positive. Love, Indira
