This is a very beautiful tribute to Rich. I wish I had gotten to know him. He passed away before I could share my family history research with him. And lately, I have found much, much more about our common heritage that I would have told him about.

We corresponded briefly though Ancestry.com after we learned we were DNA matches and 2nd cousins. If anyone in his family would like to get in touch with me, my email is greenbeyer@gmail.com. I'd be willing to give you a free copy of a family history book I'm in the middle of revising with all the new stories I've discovered.

“ In connection with the partnership between Middlesex Water Company and the Township of Old Bridge I and many of my coworkers came to know Rich through his roles as Councilman and a member of the Utilities Authority. We are very sad to only now learn of his passing. In all my interactions with him over the years I found him to be a true professional and a credit to the Township. Our heartfelt condolences to the family and to Old Bridge Township.

“ To the Greene family,

I remember growing up and having fun with Richard and Danny at Farragut pool. Those were very enjoyable memories. Richard was very smart with a Master's degree in Mathematics! Although we have not seen each other since we last met at my Aunt Verne's memorial. I have fond memories of him.

Please accept our sincere condolences. I am sure he is greatly missed by the family.

Respectfully,

Cousin, Joseph M. O'Donnell and Nancy Voehl O'Donnell
