“ I will miss talking sports with my Dad, my love of the Yankees and the football Giants is something I shared with him. When I was younger we delivered the star ledger newspaper and we would load the the car up with the 300 or so newspapers and go back in the house and have coffee and open up the newspaper and see if the Yankees or the Giants won!

*I will miss you and smile when I think of all the great memories!
Thank you for being my Dad. Love you Dad.*

Your son John.

“ RIP MR. Marketta. Remember going to my first Yankee game at the old Yankee Stadium. Sat right behind home plate. Ball was popped foul directly above us, the net got the ball just before we would have caught it. He laughed and said, "That's the price you pay for good seats."

“ To Barbara and family:

You have my condolences. Richie was a good brother-law and a all around nice guy. The last time I saw him was at George's funeral. We spent several days talking about family and reminiscing about the past. Losing someone is always difficult to accept, but I am comforted by the fact that I know he is with Janice, George, and Mom and Dad. God bless you all.

Love,

Tony

“ So very sorry that uncle Richie is no longer with us. I will always remember his smile...❤️❤️ One memory that I will always remember is when we went to Missouri for uncle George's funeral. Even though it was for a sad event, I got to spend 3 days with him. I enjoyed talking with him and really reconnecting with him...it was a memorable event, with all of us having to stay an extra day because of a blizzard in NY!! We did have some laughs during the trip!! Love you uncle Richie!!❤️ Give my mom a kiss for me....
