“ Richard was my best friend at Tech school while we were in Texas. We had the same class together and outside of class there were 5 or 6 of us that did everything together. We went to Dallas twice to see the Mavericks play, I watched him buy a cowboy hat that he never wore just to say he got one, we rented scooters together, he was really what made my 5 months in Texas as good as they were. I hope the pictures I uploaded make it to this page. The one of just the 3 of us was our very last day in Texas before we all said goodbye. My heart hurts for the family. He was an amazing person and I had just talked to him Wednesday. I will never forget the amazing person he was. Rest easy Rich

“ *My heart aches for your loss. Richard was in the same BMT flight as our son. Our son would write about him and how funny he was and how he always helped our son keep his head up during basic. It was such an honor to meet him during graduation at Lackland. I will always be thankful for the support and encouragement he poured into our son and remember his smile and that twinkle of mischief in his eye. Praying for peace and comfort for your family - he was an amazing young man and will be greatly missed.*
