“ I hope you know how much I love you and how much you will be missed. You will always be in my heart and you will always be my "Da". I still crack up on how that nickname came about lol and it fit so perfectly! I know Aidan is going to miss you dearly, his Pop Pop. Since the day he was born or until you weren't afraid to hold him lol you two had a special bond that can never be replaced. He always thought the world of you and loves you so much.... maybe because you let him eat oreos in bed and stay up past his bedtime lol. No one can replace you or even come close. I love you always... My Da Tracy

I thought I would get to visit with you and tell you this myself.....I remember when you were playing football in high school.....my Mom, brother Art, and I would go to the games and sit in the bleachers.....as young kids Arty and I would be kind of bored.....my Dad, your oldest brother Art, would take films of the games and would show them to the team. I remember us all gathering at Grandmom's house....."they boys" talking about work.....until Grandpop came home. Then "the boys" would all stop talking and say....." be quiet the old man is coming". So many memories.....I am sure you are in the welcoming arms of your two older brothers Art and Bill. Our thoughts and prayers are with you all. Love your niece Pamela (Wickberg) Lynch

I am so sorry! Know that you are in my thoughts and prayers. He was a larger than life figure in my childhood. Everyone knew when Uncle Dick was around. When he came through that front door the energy level kicked up-and everyone seemed happier when he was around. That's how I will remember him-Larger than life. Find comfort in knowing that his love will always be with you. Love-Denise (Wickberg) Winton
