“ *John and Rita,*

I miss you two so very much. I used to love stopping by to shoot the breeze and listen to John's stories of growing up, working many different jobs, and raising a beautiful family, who in turn are raising your beautiful grandkids. What a success story! I am so glad to have known the both of you. You were both exceptional individuals. Warm and kind, but sassy and ornery! Two quintessential Jerseyans! You both had an impact on my son. Whenever we would park, he would always ask to see you before we went inside. What better life than to raise a successful family who knew how much they were loved, and how much they loved you.

God Bless all of the Terranos. ✨

Love,

“ *My Aunt Rita was an amazing Aunt. I remember my Aunt Rita as a kid and as a young Adult, always making sure her family was taken care of first and foremost. I also remember her being very candid and telling it like it his and never holding back with family or friends. She was an amazing cook, i can remember as a kid all those Italian dishes and of course the gravy on Sunday`s. No matter what time of the day if you just popped in for a visit she always would put out a spread. We will miss you for sure Aunt Rita but your legacy will live on. You left us all with great memories and traditions that will a lifetime.*

Rest In Peace
