

Robert Ditre

November 27, 1960 - November 30, 2021

Robert Ditre, 61 of Old Bridge passed away on November 30, 2021.

Born Sunday, November 27, 1960 in Brooklyn, New York, Robert was the son of the late Angelo Ditre and Dorothy Davenport. Robert was a graduate of John Jay High School. He would then go on to work for the Daily News in 1976, as a paper handler and continued to work there for over 40 years.

Robert was a hard worker, and had a lot of love for people. He was known for his good heart, and love for his family. In his spare time Robert loved to go fishing and enjoyed drawing. On days and weekends he was free; you would find him in his home away from home, Pennsylvania. He spent most vacations and summers there and made the best memories and the best of friends there. Anyone who knew Robert knew of Max his dog, who he loved and was his best friend. Robert was a simple man, and will be missed by all those who knew and loved him.

Robert is predeceased by his loving parents Angelo and Dorothy.

Robert is survived by his five caring siblings, James, Gaetano, Angelo, Cindy and Michael. And by his many cherished nieces and nephews, and many great nieces and nephews.

The family will receive friends from 5:00 PM to 9:00 PM on Friday, December 3, 2021, at Michael Hegarty & John Vincent Scalia Home For Funerals and Cremation Service, 3377 US Highway 9, Old Bridge, New Jersey. Interment will take place in San Antonio, Texas.

“ I want to thank everyone who came out tonight to give their condolences and pay their respects to my uncle Robert Ditre who everyone knew as “Bobby”. He was an amazing guy who had a heart of gold and he will be truly missed and never forgotten. I can’t put into words how much he meant to my family and I but it gives me great peace to know how much he was truly loved by all of you and how much he loved you all. You all gave his life true meaning and that my family and I will forever be grateful. I will always remember his smile and his laugh but most of all I will miss you Uncle Bobby. May you Rest In Peace and May God always look over you.

“It’s brown, it’s round, it’s in the ground!!!”

I find comfort knowing Bobby and Michael are now together having the biggest campfire in Heaven playing the games we loved so much. Bobby will be missed by his entire lake family. Especially my children Anthony & Daniella who loved him so much. Chuck and I send our condolences Jeanine and to Bobby’s family. Sending you hugs from Florida. Our memories will never be forgotten.

“ I was so shocked and sad when I heard the news. Both Kevin and I are going to miss you. We will always hang on to the many years of memories we have. From the weekends, at the campground in PA., years ago, to all the parties that we have been at together, and then you moved into the complex that we lived in, and we would see you and the dog around and always catching up with you at the pool in the summer. You were such a good person and you always had me laughing. We are going to miss you.

Thank you so much for your prayers and support. My husband is such a caring loving dedicated Christian; and prayers are given in our church. My husband knows that Bobby was the love of my life and has given me the utmost respect to mourn his loss... I truly am blessed to have loved twice in my life... I hope some day you will be as blessed as I have been....

You seemed to have misunderstood my intentions. You are a sad, pathetic person...that's why I feel sorry for you! You should be ashamed of yourself, parading around like you, and MY Bobby still had a connection. You don't! You cheated on him, married the man you cheated on him with, then proceeded to try and steal his property after he bought you out. Everyone at the wake was talking about you. They said, you have some nerve showing up at all. I told them to let you be, that the service was about Bobby, and you weren't going to ruin it. They were also aware of how you went into our mailbox, and took out the copy of the will intended for his family. "A federal offense by the way!!!" Could you not hear their whispers, feel their stares??Have you no pride? He said you would be coming, which is why he made sure of the changes. He DID want to leave you a few choice words though. He hated you... for what you did to him in the past, and for trying to steal his property. He saved all the proof...to your dismay!!! THAT LAWSUIT... YOU LOST!!!

So stop your fake heartbreak bull, everyone knows the truth. EVERYONE!!!

So slither back into the swamp you came out of, and wait for your next victim.

As for your husband being Christian, maybe? But Bobby and your son, always told me you were Jewish. Another one of your lies? "Oh, what a tangled web you weave...!"

Listen to me, and let me be clear, I have been patient with you, focusing only on mourning the man that I loved, if you proceed to harass me anymore, in anyway, so help me God, I will report you to the police for going into, and retrieving my mail from mine and Bobby's mailbox. What you don't know, is my neighbor recorded you doing so!!! Don't test my patience, you will regret it.

GOOD BYE 🙌

I would like for this post to be taken down this is so disrespectful to my family and I but especially for my Uncle. This is neither the time nor place for nastiness. Please whatever is between her both of you keep it exactly between the both of you.

“ I have 16 years of memories and hundreds of photos of those memories ❤️💔 From vacations in the poconos, camping, skiing, horseback riding, cruising... and I could go on and on.... At this time I want to send my deepest condolences to his entire family 🙏 keeping you in my thoughts and prayers during this difficult time

My favorite memory was going to the poconos and taking Gary horseback riding with Bobby taking up the rear and harassing the tour guide and her telling him to go back to Brooklyn. 😭. And going on the boat. Such great memories. He'll be sorely missed.

“ Me and my sister were taken away when we were kids and Bobby and his family took us in and loved us like we were their own kids. A favorite memory of mine was while everybody was sleeping Bobby would get home super late from work and every night I'd sneak out of my bed and he and I would watch Looney tunes together until the sun came up.... before his mom Dorothy and his sister Cindy would get up. I would sneak into bed and I'd have to get up an hour later for school! Yes I was exhausted all day but it was worth every minute! I will miss you so much Bob you were a big part of my childhood, rest easy my friend ...love Keith!
