“ I met Bob during my Junior Year at Xaverian. We were a rare breed in the school that played hockey. Very quickly he became my best friend at Xaverian. We played roller hockey together into our 20s. I was kind of quiet, smaller and younger than most of the class. Bob was quiet too, not really tall either but not the kind of guy anybody would mess with. He just looked like a tough guy but was really such a good guy and friend to me. I regretted many years how we lost touch. There is a reunion group of Xaverian Guys, I was always hoping he would become part of it. I hope a family member sees this, first time I ever heard anything about him and sorry it is his passing. RIP, Bob. I wish we would have reunited at one point, my favorite Classmates ever. If any family member sees this, would love to hear from you Peter Mineo 201 805 5324.
