“ My heart is heavy with news of Rocel’s passing. She was one of the most enjoyable people to work with at alphabroder. She was so very smart, incredibly kind and always exuding a pleasant demeanor. I know her talents at alphabroder will be missed but her sense of community within the department will be its biggest loss. My heartfelt condolences go out to her entire family at this time.

“ Rocel was a pleasure to work with, she always went the extra mile to help anyone with anything. I enjoyed getting to spend time with her outside of work even when we no longer worked together. I will miss trying out a new restaurant and chatting with her. She was truly a special person.
