“ Ron, you had an offbeat sense of humor I enjoyed. When we heard you were sick we had no idea that we would not see you again, it is hard to believe you left us so quickly. Sincere condolences to your family from the nurses at High Point School with the hope that happy memories bring a smile when they think of you.

“ Ron was my partner in physical education at PS 46 for many years. We were co-workers and good friends. Although I hadn't seen him in years, he was always in my thoughts. I am deeply saddened. My thoughts and prayers are with you.

“ I was so sad to hear of Ron's passing. I worked in the Elementary School and saw Ron every day for early morning coffee and we walked out to our cars in the afternoons. He was a wonderful man who shared many happy stories of his wife, children, and grandchildren! He loved the trips he took with them each summer and the experiences that he had in other countries. Know that he has been in my prayers since his absence here at work and my sincere condolences go out to the family.

“ Wendy and Amanda. There is little one can say at a time like this but you both should find solice and consolation in the good name your dad left behind.
