“ *I light this candle in memory of a true family man. I pray that you are no longer suffering. I ask the Lord to watch over all of the loving family and friends that will have to go forward with hearts full of love and memories. Thank you for the memories that I will always have. Linda, Dianna and Bobby, I am so sorry for your loss. Thank you for all the memories I have from getting to spend so much time with all of you from Long Island to Atlantic City. My heart is with you all forever.*
