“ *I still remember the smell of your apartment, the magnets on your refrigerator, the toy blocks in Tupperware containers, although it was over 10 years ago and I was just a child, I remember it all. Your presence in the wooden chair, always so happy to see me with a big hug. Your canes, which I saw as toys as my own, you let me play with, always so patient with me. In this moment of time, I miss you so much, especially your big hugs, and I know my mother and aunt and grandmother do too; everyone in the family misses your presence. Love, your granddaughter Kaeli <3*

“ Mom, I know it's only been less than a month since you left us, but it seems like it's been years. Growing up you were my team mom in Little league, and you are our team mom with your 5 children. I know you are watching over us, and guiding us in some special way. I look at your picture everyday, you are in our hearts everyday. You will not be forgotten. Carla, Stephen and myself miss you and love you with all of our hearts. Rest in Peace Mom. Love, Mike

“ Mom, I Love you sooo much and I miss you sooo bad. Even though my heart is breaking, I know that you are already in heaven and watching over us. I can't imagine anybody having a better Mom than we do. You have always been there for us with love and tenderness and I will have you in my heart until the day I die. I can't imagine the rest of my life without you, but I know that you are now resting in peace. I love you Mom, more than anything in the world.
