“ *I know you don't know me. I worked with Rosemary at BonWorth in Matawan for about five years. I was thinking of her today. I was hoping not to see her name here BUT I am happy to see if she has gone to be with our Lord. She loved the family and talked about you often while working at the store. God bless your family and the memories of Rosemarie.*

“ After kicking cancer's ass for 31 years, our beautiful amazingly strong and brave mom finally left us on Monday January 28th. She fought longer and harder than I could have ever imagined, and her spirit never left her.

*I would not be the father and husband I am if it wasn't for her, and my kids would not be the family oriented loving respectful men they've become without her shining example of how to live, love, and laugh.*

*Kevin; Elizabeth and Doug; Dylan and Ryan; and Jess and I are all heartbroken at the loss of such a wonderful woman. But her heart and soul are in each of us forever; and our friends, extended family, and the memories we all share will get us through.*
