

Sandor Lech

July 27, 1956 - May 27, 2018

Sandor Lech, 61, of Old Bridge, passed away May 27, 2018 in New Brunswick, NJ after a valiant fight against cancer.

A gathering of friends and family will be held at Hegarty & Scalia Funeral Home in Old Bridge (3377 US Highway 9, Old Bridge, NJ 08857) on Friday, June 1 between 11:00am and 1:00pm. All are welcome. A short service will begin at 12:00pm.

Sandor was born on July 27, 1956 in Krakow, Poland. He lived in Warsaw for much of his early adulthood, attained a master's degree in civil engineering and was proud to be a part of the Solidarity movement in the early eighties. An athlete, as well, Sandor was selected for the Polish national ski team which afforded him the opportunity to tour the world doing something he loved. In the early nineties, he immigrated to the United States with his young children to pursue the American Dream. One of his proudest moments occurred in March 2018, when he officially became a US citizen.

Many things about Sandor will leave an indelible imprint on his friends and family including an enthusiastic love of all sports; especially skiing, European soccer, the NHL and most recently mountain biking. His kindness, compassion, sense of humor and his steadfast love for his family will be remembered fondly.

Sandor is preceded in death by his parents and his son, Marcin.

Sandor is survived by his wife of 24 years, Denae Dalia-Lech and his children Jacek and Marta Lech.

The family wishes to extend their gratitude to the entire staff at St. Peter's University Hospital and, in particular, the nurses in the oncology department, emergency department and ICU for their incredible support, care and compassion during Sandor's illness.

“ *My dad was and will always be the most amazing person in the world. His kindness, love and happiness was contagious. I am proud to be his daughter. we share a lot of similarities like we cant never leave the house without hair dryer and hair spray, when we ate, more food would wind up on us or under us then in our mouths, for a deep cut we used super glue or duck tape. Little things made him happy, like finding the perfect soccer shirt online, watching hours of hokey, getting a new bike so he can tape his adventures on the go pro.*

My dad sacrificed so much for us and because of him and my mom Denae i am strong, smart, motivated, loving and caring.

Best choice he has ever made was having Denae as his wife. The love they have for each other was and is indescribable.

I will miss his hugs, his smile, his jokes.the sound of his voice, his positive out look on life. i have learned so much from him.

you will always be in my heart.

i love you and miss you more then words can say.

kocham cie tato!

Sandor and I became long distance chemo buddies. We shared the ups and downs of the debilitating effects of chemo to treat the cancer that had invaded our bodies. And fought each day to keep it as normal as possible. We prayed for each other and through Denae had a bond. In the beginning I shared that we had to pray each day for GOD to heal us but also tell HIM we would bend to HIS will. "I can only imagine" what it is like for Sandor to be standing in the presence of GOD.

Denae, so sorry, dear friend, for the pain that you bear, and the loss. I hope for you brighter days and that time and the prayers of so many friends who care will lessen your sorrow each day. May remembering your times together help to ease the sorrow that you feel, and bring peace and comfort to your heart. With heartfelt and sincere sympathy to you and your family. CANDY
