“ *When I got to know Sandy she made you feel that you were friends forever. She helped me take care of my dogs and when I came back home she folded my clothes and made them look like brand new. I can't believe how awesome she could fold clothes. She was a pro at that. This wonderful lady was always smiling. I know she will be missed by all. RIP Sandy*

“ Aunt Sandy's family was most important to her. She was always concerned about others and did all that she could if someone needed help. My most fun memory of Aunt Sandy was just created last year when she came to California to visit. We played Cards Against Humanity and she won! This was great times full of love and laughter...you will be missed! I love you.
