Somehow we also made it to class and graduated. My deepest condolences to the entire Fischer family. RIP Scott, you left us way to soon.*

“ All of my most loving & sincere condolences to Fischer family. I have not seen Scott in many years and went to "football rival" Cedar Ridge HS. (however briefly knew Scott in Jonas Salk school). My 'Great Scott' memory: I am sitting at the main desk inside of Monroe Boxing Club (boxing gym) and I'm talking to a fighter I was training & the main entrance door bursts open and Scott bounds over to the desk drops brochures and the like not so gingerly within inches of my chin & starts his sales presentation!! I did not recognize him nor did he seem to recall me. After Scott going on for what seemed to be "hours" I finally said " I can help you here is a number just tell them you talked to me..." and before I could 're-introduce' myself to Scott he gathered his brochures from the desk, thanked me even shook my hand quickly stepped to the door & said: "Ok thanks and I'll call those people...CONTE"!!! To me this was classic SCOTT competitive ++++ Begin your new & blessed journey you are greatly missed!!

“ So sorry to hear of Scott's passing . My prayers go out to his children and family. Cherish the memories you all shared and gather strength from each other and know that your dad is watching over you . He was very well liked and had a contagious smile. He is at peace now. It seems like yesterday we were just laughing at our HS reunion .

“ Dear Scott,I'm not sure if you will ever know how much we will all miss you. I imagine you are coaching children on football fields with sunny days, and are surrounded by Giants fans. Wish you were still with us.

“ Dear Fischer children, I am so deeply saddened by the passing of your Dad. I met Scott while Athletic Director at Dumont High and he was the salesman extradorinair for Ridell. Always with a smile even on the day after Thanksgiving picking up my smelly football uniforms! Your Dad was a treasure and will be so missed by all who knew him. Rest in Peace dear Scott. For 25+ years Scott has been a distinguished colleague of mine at Raleigh/Riddell, who went from co-worker to a friend instantly. “ My condolences to the entire Fischer family. I am sadden by your loss, although I have not seen Scotty in many years reading the condolences and tributes by everyone it appears he turned out just like I pictured he would and quite successful I might add evident by friends and family responses to his passing. He was a great guy, funny, a skilled athlete and no doubt was always smiling and brightening the room or the huddle for that matter. He was a great wide receiver to me on the SWS Rebels prior to I hear becoming quite the Quarterback. Its sad that life puts so much time between old friends. RIP Scotty

“ where do I start, I just lost another part of my childhood. Although I have not had a lot of contact with Scott or the Fischers in many years he was a very intricate part of my childhood. We lived across the street from each other for 7 years in Madison arms apartments. Scott was a lot of things. funny as hell, probably the most competitive person I have ever been around, and tough as nails. We would play wiffle ball games that were do or die. He had a smile that would light up the room, he could be so mischievous especially if you weren't looking. I remember playing killer football games on the common lawns until you couldn't see the ball. His family would always be kind enough to take me with them to the little league all star games that he was playing in that were all over the state. I was lucky enough to have the opportunity a couple of years ago to reconnect with Scott and his brother Brad and for that I am grateful. RIP Scotty you left an indelible mark

“ Some of my best memories growing up were spent at Aunt Lisa and Uncle Scott's house with Mia, Dana, Eddie, Kevin & Lauren. We had so many great memories listening to 101.5 by the pool and then heading inside at night to catch the Yankees on TV. Uncle Scott always appreciated those days and never let anything stop him from enjoying them. And how could anyone forget the epic Super Bowl parties complete with Tshirts and prizes for everyone. He was a good guy with a good heart and I'm gonna miss him. Thinking about Uncle Scott and everyone we shared these memories with
