“ *Slawomir was my neighbor, and was one of the sweetest men I had ever met. While my dad was in surgery during a snow storm, Slawomir was so kind to come over and help me and my boyfriend with the snow blower, completely unprompted, but incredibly needed and appreciated. I would see him snow blowing or shoveling other neighbors houses as well, and it was these small acts of kindness that really made him stand out, and I just know that he would help out any one of our neighbors should they ask, or not, because he was a sweet and generous human. While I did not know him all that well, he will forever be remembered by me and my entire family. Our hopes and prayers go out to the family, and The Grudzien's will always be here should they ever need it, because Slawomir was there for me, when I needed it.*
