“ *Genevieve, I will miss you more than you know. Our lives together were almost always happy. We had lots of fun and we were more than sisters, we were friends. I will always remember how wonderful you were to mother. I will always have your smile in my mind. We were all lucky to have Mom and Nana. If you are having a cup of tea with both of them and Peter and Joe are teasing them, tell them hello for me. Tell them I will be seeing them sometime soon. I thank God for the wonderful family we have. Believe it or not I am running out of words. With love, your sister Madeline.*
