“ Whenever I play a game of cards, I remember the games we played on SugerBarb all those years ago. I remember you and Bob hunting and fishing. New Years Eve parties and barbecues at your home and ours. You putting Renee on our pony , Cocoa and walking her into a mud puddle. These memories and more bring smiles to my face. “ We lost a very special man, who made a lot of people laugh, including me, he was my brother Stash's best friend and like a brother to me, watching over me as a brother would do in my younger days. No one can replace this man and his personality. He is at peace now, watching over his children and grandchildren for whom he will protect every day. Godspeed

“ Wow. My uncle, mentor and friend. He taught me how to be a friend by watching how he treated his friends and family. Even by how he worked with his dogs. By the way he lived his life. I know we are sad now, but there are two guys in heaven especially happy to have their buddy back.
