“ Dear Theresa,I took a nap the other day and happened to look out of the window. I saw police cars parked out front and side of your house, also cars and vans.Philippe ran over to me and said you had passed away in your sleep.I was so sad and couldn't believe my wonderful friend was gone.I want to let you know you were just one-of-a-kind, so good and sweet, and loved people and wanted people to love you too.Thank you for all the goodies you used to bring over to me, that you made. They were delicious and made with love.I will think of you always and remember your smiling face and kindness.May God bless you,We will never forget you!Love,Inga
