“ *I love you Dad and I wish I could have told you once again that I was proud to be your Son, to be a Donohue before you left. I will continue to do what you have taught us; to be courteous and to look out for others. To give, to be kind and to defend those that cannot defend themselves. I hope that someone now holds the door open for "you" as you make it to your new home. Please tell everyone that we said "Hi" and please look out after us.*

*Love Tommy, Angel and kids.*
