“ *Tom's recommendation sits there on my LinkedIn profile and I visit it every once in a while to feel good about myself. That was he did to me whenever I got to speak to him - make me feel good about myself. I always valued my interactions with him and looked up to him as a friend and mentor (in his own indirect way). I can't believe he is gone!*

“ *I work for the company that provided Pershing with the majority of their financial data. I am in customer service and have worked with Tom for many years supporting their products. Tom was a very down to earth guy and you could tell by the many conference calls we had over the years that he was well loved and respected by his colleagues. My thoughts and prayers are with you all. He will be missed greatly by all that knew him.*

“ I first met Tom about 10 years ago, we were jamming and playing a few songs at a mutual friends house. I was like 'wow' this guys pretty talented, playing guitar, and switching over to keyboards - I definitely want to get to know him. Subsequently, we joined forces and created our own band. We played in several bands together over the years, however, Tom and I were the constant - we were band mates. Over the years, I was able to meet his family, great people, and a pleasure to know.

Tom will be missed, he was truly one of a kind, a dear person, a great friend, and a talented guy.

God bless

“ I worked with Tom E. for a long time at Pershing. He was so smart and what surprised me the most was he was so funny. There are so many memories I have, it could take forever to share them...And as I think about him I just remember how much he made me laugh!!! But I just want to thank God for all the fun times, the times we worked on projects and I asked the Lord to look over his family and friends during this time. I'M GONNA MISS YOU TOM E.....Lou Daddy!
