“ *My Belated Condolences to Tom's family. I just came across this tonight and was saddened to read Tom passed away. I also grew up on 16th Street and went to Holy Family Grammar School at the same time Tommy did. I have one B&W picture of our 4th grade class. It's a lot clearer than the 1st grad picture here. We were in the same classes. At times we were friends. I lived only a few houses up from him, same side of the street. I remember his Grandmother, Mary and Grandfather, his Mom, Josie, his Dad, Ray, His Sister and Brother Ed. Last time I saw Tom was around August 9th, 1968 when he went to my aunt's wake at Duffy's Funeral Home on 9th Street in Brooklyn.. I was living in Franklin Township, New Jersey at the time. My family moved from Brooklyn to N.J. when I was 13. That's about it. Anyway, I'm very sorry for your loss. Just wanted to let you know I knew Tom when we were kids growing up in Old Brooklyn. .*

“ I can not believe you are gone. I will always remember the guy who rushed home from work to coach his kids teams and be a huge part of their lives. You were to only little league coach pitching batting practice in a suit because you got off the bus with only 20 minutes to spare before the game started. You were always there for your four boys and taught them all how to be men. I can not put words to the gratitude you are owed.. Having two boys of my own you have made me realize the importance of raising them to be men. I hope I can do it as well as you. I will never catch a crab or a fish without thinking of you. I wish I could take one more trip with you fishing. I know from here on out you will be with me on them all even if I can't have a conversation with you, you will be there.. I will miss you dad.. The whole family misses you already. 69 was too young but we all shared a lot of get memories. Because of your influence, the family you left behind is strong enough to deal with anything. Thank you again for all you have done. We love you dad and miss you..
