Dear Noreen and Wayne...I am so sorry for your loss of Tommy. I remember babysitting for the boys and later in life working with you and going to some clubs back in the day. Life won't be the same but I hope with the memories you have of Thomas will help you with what you're going through today. Never forgot, Nor, never will. Love you always, Barb. XOXO

“ Marie and I were deeply saddened to hear of Tom's passing. While we didn't see him often, when we did his genuine friendliness, smile and sense of humor shined through. He was a wonderful caring person, and we will miss him very much. Our thoughts and prayers are with his brother Wayne, his mother Noreen and other family members, and we wish them peace and comfort during this very difficult time.

“ I'm missing you my brother. We talked almost every day for 30+ years. You are family and I'll miss you every day. You have the best seat in the house for the yankee games now. We once got kicked out of 3 bars in one night (it's an old bridge thing). You'd have to be from old bridge to get it. One day our mens baseball game got moved to multiple different fields. I had just bought the new Metallica CD. We drove around listening to it. As much as we loved playing baseball together- we loved Metallica more and were hoping the game was canceled. I love you my friend
