“ I send my deepest sympathy to Pat, children & entire Piedmont family. My name is Molly Totres Kafes & I knew Tommy & Pat since I worked with Tommy in accounting at Interpublic Group of Companies at 54th st & 6th Ave NYC. It pains me to have learned of Tommy's passing. He was the most honest & nicest fellow in the world. I loved all those guys I worked with & remember all the funny times in the office. I remember when Pat & Tommy were married. Such fun times. I just found out now April 11, 2018. I live in Hernando FL since 2006 & once my husband & I were in St. Petersburg & I thought of Pat & Tommy, but did not call because didn't want to intrude. I was near where they lived that day & wished I had just called. I am almost 80 years old, but remember all my past friends with much love. RIP TOM FOR I KNOW YOU ARE WITH JESUS CHRIST OUR SAVIOUR. Bless you Pat & your children.

“ Tom became our accountant 7 yrs ago and he also took care of my in-laws who lived in my home in an apt in the basement. He would be at our home for a long time and we had great chats of family. He was so kind & we just had him out to my new place right before he passed. We are divorcing and he was so impressed with how friendly we were handleing things & gave us kind advice. Tonight as I came home from my Mother in laws wake I found it ironic recieving your letter that Tom too had passed. We really liked him and can't believe he is gone. Our sympathies go out to your family which he spoke of so often.

“ I'm so honored to call Tom my father in law, or as we joked, my daddy in law. I loved how he loved Pat and would do anything for her. He always saw the good in people and was so kind hearted. He was truly what a father should be and an inspiration. His heart was full of love for his wife, children and grandchildren. I know you are so proud of them all and are smiling down from heaven at all of them. We miss you so much and love you.

“ I am so sorry to hear of Toms passing, he was always kind to my family, and never hesitated to help us with any questions we had. I looked forward every year to tax time, and the conversations we would have about sports, politics, etc. I'm sure my dad has already got Tom doing the Big Guys taxes in heaven.

“ I first met Tom shortly after I joined IPG in the early 1970s. Over the years working with him at IPG and then McCann, he displayed the highest level of professional and personal excellence. He was always ready to help come up with answers to tough questions. In the usual hectic atmosphere of an Ad Agency to say that Tom was unflappable is an understatement. He was calm, cool under pressure and above all he always displayed his great sense of humor, Tom will be missed by all of us who knew him.

Many people will walk in and out of your life, but only true friends will leave footprints in your heart. Goodnight dear friend, and may you always smile down on us from heaven. We love you. “ I worked with Tom at McCann-Erickson and he always had a smile on his face, a joke to be told, and great financial advice so "we kids" could retire early. He kept us laughing through some hard times here and never passed an opportunity to teach us a little Vietnamese, probably not to be repeated I'm sure. He told stories about Vietnam and his family. He loved my Irish Soda Bread. Lovely man and he will and has been missed since he retired from McCann, they don't make them like him anymore. Jeanne Stanton, McCann-Erickson

“ It's been over 16 years since we left Old Bridge. It was only recently that Frank connected with Jim, our son, on Facebook and we caught up on the Piedmont family news. Tom, who babysat our kids along with JoAnn, reached out to us by email a few times and it was good to revisit old memories. His email yesterday came as a shock. Our heart felt condolences go out to the entire family. We have nothing but fond memories of our time with all of you as neighbors and, while a number of years have past, this news still weighs heavily on us. God Bless, Jim and Michele Captain
