“ *My brother in law Tommy was like a brother to me since I was a small child 9 years old. I loved his soft heart , and kind gentle soul. He would help anyone and give you the shirt off his back. He was such a big part of mine and my Nick & Dina’s life. He loved my kids like they were his own. I have no words for how big a loss his passing is to me and my children. We will miss him everyday and remember his love and care he always gave us all. We love you Tommy and will always miss your presence and your guidance and your love. Watch over us all and shine your divine light on all who loved and cared for you in this life. Rest peacefully until we see you again my dear brother Tommy 🙏❤️*

You were the kindest and sweetest person I know always laughing joking around and so thankful that I saw you at the wedding and your last words to me when we took a picture of you, Lucille and me you said my to dolls you might be gone, but you'll never be forgotten until we made again.
