“ *Don't remember a holiday or family event without her. She was always smiling, even on her bad days. You all were her life and she doted on Jessica and Dario. Though she's no longer physically here with all of us , she'll live on in our memories and in our heart. And the way she loved you all, I know she'll always be with you. She's now a beautiful guardian angel watching over you from this day forward.*

Our thoughts and prayers are with you Giuseppe, Tina, Jessica and Dario. We love you guys and loved Valeria very much! We will miss her tremendously but know in our hearts that she no longer is suffering and is together with John. Have strength and peace of mind knowing that she is in a better place- because that's what she would want for you all.

Love- Marcella, Sandra, Joe and kids.
