*My beautiful, loving, caring Nana. I still can't seem to comprehend that I can't hear your voice whenever I want to anymore. My Nana was such an amazing person that anybody would've so lucky to have known. My love for her grows every day and there will never be a day that goes by where I don't miss her. I'll love you forever and ever until we meet again. You and Luna better be the first ones the greet me up there. I promise to make you proud. I'll be living one life for the two of us. Love you forever and always Nana.*

“ I cannot even begin to describe the sorrow I feel losing my mother in law. But it does give me comfort, knowing she is not suffering anymore. Valerie was one of the sweetest and kindest persons I've ever known. From the first day I met her, she made me feel like I was part of the family. The love she showed me could only be topped by my own mother. It's easy to see how great of a mother she was by seeing the wonderful and loving daughters she raised. She will be greatly missed but never forgotten. Rest in peace.
