“ I will miss talking with Uncle Walter so much. When we talked he was always wanting to know everything going on with the "Midwest Sharwarko gang" ,the "West Coast branch" and everyone else. He would always make a point of asking about each one starting with Patty then Mickey & going right down the line. When it came to the grandkids& great grandkids he would just say he needed a scorecard for them all. Uncle Walter always made a special point of asking about Kevin & his progress from his injuries & was always pulling for him. I'm so sorry that we have lost Uncle Walter but I am also so thankful to have had the chances to visit with him over the years. Rest in Peace
