“ Hey Mom!... Just wanted to say hi! I miss you!, We all miss you...it still hurts....some days more than others!..Especially days that arent going thru, I miss picking up the phone and being able to talk to you. I used to call you scared and worried if Me or the kids were sick, and you would be able to calm me down and relax me. I dont have that feeling any more, But Im learning to coop with it the best I can. I know you are still around watching over us. But I miss your presence...so many things have happened since you left, alot of changes, some good some bad. Justin and Nyasia are soo big right now..Nyasia still plays basketball and loves it, Justin is sooo good at art. I remember you knew he was gonna be an artist since he was little, I know He gets that from you and I tell him that all the time. You would be so proud of them.!!! Some days I feel so sad, and think how am gonna go on without you, but I know you would be mad at me for thinking that way. Please come visit me sometime ok.. I would really love that. At least a couple times in my dreams so I can feel as if it was real. Mommy, I love you soooooo much!!!!!!! I will never stop loving or missing you. Until the day we meet again, my heart will always be missing a special peace!!! Love Moe xoxoxo

I know how you feel Mellisa your mommy was a wonderful person. So was your aunt Naomi (Nomi). Loved your mom and dad too, my aunt and uncle. I miss my three siblings Nancy, Willie, and George, and of course my mom and dad. But like you o know they wouldn't want us to morn. They want us to live a happy life. That would make them happy. We'll see them again, and they're with us still, guiding us and watching over us. Wishing you comfort and peace. Love, your aunt Bobbie

“ *I know there are no words which could help to ease your pain, just know that your Mom was very loved by everyone who ever met her. I am one of them. Her family was always first and foremost above everyone and everything. I remember all the laughs we had, the drama and the wonderful days of being band parents from McGinnis thru PAHS. Remember her with smiles, instead of tears.. because i know she never wanted to see any of you hurting. Love and sympathies to all of you. Linda Arocho*
